RE: COLLIERVILLE SITE

Dear Ms. Brown:

We apologize for the delay in sending you the enclosed map which shows the approximate location of the TCE plume at the Carrier Collierville facility. As the map shows only a small area of the plume extends off the Carrier property.

To reiterate our previous conversation the shallow groundwater does not yield enough water for any beneficial use.

If you have any questions, please call me at (818) 964-1211 ext. 752.
